

T32 POSITIONS AVAILABLE FOR FALL 2026

Our Biological Mechanisms of Healthy Aging Program is enthusiastic to share that we have two upcoming openings for our T32 program.

Please see Application Requirements - Healthy Aging and Longevity Research Institute for more information or scan the QR code.

One Postdoctoral Slot
Start Date: August 2026
Application deadline:
Monday, July 15th, 2026

Postdoctoral applicants must have completed their PhD by the application deadline and have a postdoctoral appointment at the University of Washington in a BMHA T32 affiliated faculty lab.

One Predoctoral Slot
Start Date: 9/16/2026
Application Deadline:
Friday, July 31st, 2026

Predoctoral applicants must have an established lab and their mentor be a BMHA T32 affiliated faculty member (typically a second year or beyond). Projects must be in the biology of aging.

Please send applications to uwhalo@uw.edu in a single pdf, letters of recommendation can be sent directly to uwhalo@uw.edu.
